Application confirmation

By checking the "Application Confirmation" checkbox, you agree the information you have provided on this application is true and accurate. This checkbox confirms you are applying for our commercial general liability Vendor insurance program with Specialty Insurance Agency.

You understand once coverage is bound and a certificate of insurance (COI) is issued, **no refunds** will be given. All sales are final at that point, even if you cancel coverage before the policy start date.

This policy insures your business, including employees and volunteer workers, while operating out of a temporary space. It does not cover independent contractors (1099s), and a permanent storefront exclusion applies.
